1

THE MUNICIPALITY

The Municipality of Pogradec is placed in the center of the city. The construction has been built in the 70 th , as a construction of public service where were placed the local management offices during the communism period. Today these buildings a four-floor construction with adequate offices offer the needed services to the citizens of Pogradec.

2

THE HISTORICAL MUSEUM OF POGRADEC

The historical museum of Pogradec has been established since November 1964. This museum has archeological and historical character. We can find there a rich collection in artifacts, which represent the history of the whole region of Pogradec from the first footprints of humanity of the early Neolit ages (8000 years before) into the present days. Most of the objects belong to a really special local historical contest and are unique not only for the region of Pogradec but for the whole territory of Albania.

3

THE SQUARE OF ROSES

The Square of Roses which is named from the 4000 roses and is embedded as a relaxing corner, braided with monuments of two luminaries of the Albanian letters, Lasgush Poradeci and Mitrush Kuteli both born in Pogradec. Both those monuments are realized from the known Sculptor, Muntaz Dhrami, relatively the statue of Lasgush Poradeci has a height of 3.4 m and is inaugurated in 2006, whereas the statue of Mitrush Kuteli has a height of 3.6 m and is inaugurated in 2010. Near them is the fountain which is the latest attraction added to the city of Pogradec since 2022.

4

THE ODEON OF THE CITY

Odeon is a place used for different artistical and cultural festival organizations, activities and events that take place mainly during summer in the city of Pogradec. Its reconstruction done during the year 2021, brought innovative architectonic elements such as the column and pilasters realization based on the Ionic style grave No 3 in the lower Selca, often presented with various floral decorations and ornaments.

5

HISTORICAL CENTER OF POGRADEC

The Historical Center of Pogradec is a place with very important historical and architectural values that documents the historical development of Pogradec city and urban - architectural features that were formed during its history. The historical center includes: the ensemble in “Burima” quarter also known by the name (Toplec), the ensemble along “Naim Frasheri” street, also the ensemble around the cross alley with “Naim Frasheri” road. Part of the historical center are the six traditional houses of vernacular architecture.

6

BURIMAT

This is how the old neighborhood of Pogradec is called Burimat (Toplec), which is named from several abundant water sources that flow from the surrounding mountains into the lake. This neighborhood is the core of the Post - Medieval Pogradec. Burimat is included to the Historical Center of Pogradec and part of it are 6 houses that hold the legal status of Cultural Monuments of the First Category.

7

THE CHURCHES

The church “Fjetja e Hyjelindeses” (The Sleeping Goddess) is placed to the Historical Center of Pogradec city in the Burimat neighborhood. The construction of this church ended in the year 1872. This church is known from the residents of Pogradec as “The old church “.
The church “Ngjallja e Krishtit” (The Resurrection of Christ) is paced in the street “At Dhimiter Kokoneshi” and started to be built in the 90’s and was inaugurated in 1996. It is known from the citizens as the “New Church” of Pogradec. Both these churches are in full function for the religious ceremonies and also for baptisms, marriage and funeral rituals.

8

ART STUDIO

Anastas Kostandini is one of the most important painters of the Albanian art of the XX – XXI centry. His creativity is already recognized and appreciated for its high artistic quality, authenticy and originality. His subjects are mainly dedicated to his hometown including (landscapes, compositions, peaceful nature, portraits, graphics, drawings, pastels etc). Taso has preserved parts of the “skeleton of the city” intact. The works are distributed in over 20,000 drawings with pencil, pen, graphics, etching, woodcut and carbon.

9

THE CULTURAL CENTER “LASGUSH PORADECI”

Part of the Cultural Center are the following instituions: **The library “Mitrush Kuteli”** has opened in 1954. Part of the libraries fond include books from different fields for children and adults.

Art Gallery

It is established around the years 70’s and is placed on the top floor of the Cultural Center. In this gallery are held various exhibitions from local and foreign artists.

Performance Hall

It has a capacity of 350 seats. Various activities take place in this environment such as cultural, artistical and historical etc.

10

ART STUDIO

The painter Vangjel Vasili, completed his studies at the Academy of Arts and in the year 1973 was graduated for graphics. He is known for his unique landscapes and the characteristic style. He has participated in many national and international exhibitions such as in: Tirana, Gjirokaster, Shkoder, Korca, Egypt, Turkey, Italy, France, Austria, Romania, Germany, Bulgaria etc. Vangjo Vasili has been honored with many awards inside an outside the country.

11

THE MOSQUE

The mosque “Ebu Beker” is the main mosque of Pogradec city. It was built on the foundations of the oldest mosque and today is in full function of its religious.
The mosque “Bilal” known as the mosque in Gorica neighborhood. According to the historians this mosque is more than 350 years old and was reconstructed in 2019.

12

UÇKA BEACH

Uçka Beach is one of the public beaches of the city of Pogradec. Uckat has taken its name from the beach which are timber remains of the mole that was built in the 30’s, of the XX’th century, for the transporting boats anchorage used for the goods and the citizens transportation between Pogradec and Oher. This is a beach with small pebbles with crystal water that is frequented from a great number of vacationers during summer season and beyond.

13

FORTESAT

Fortesat are two bunkers built during the Second World War in order to control the road way Lin – Pogradec which passes through the edge of the lake. The two bunkers are located to the foot of the Pogradec castle hill, named “The first fortesa” and “The second Fortesa”.

14

THE CASTLE

Pogradec castle is located in the southwest of Lake Ohrid, above the town of Pogradec, on a hill around 200 m height. In the IV century BC, this settlement was equipped with surrounding walls and began to serve as a civic center whose inhabitants were mainly engaged in agriculture, fishing and various crafts. The name of today’s city of Pogradec means “under the city”and is a reference to this settlement.

15

LAKE SHORE PROMENADE

It is the main promenade of the Pogradec city, which lies along the shore of the lake and includes the city’s Great Park. We can find bars, restaurants and different business along this avenue which operate throughout the whole year, but with a greater flow during the summer season. During summer this promenade turns into pedestrian way from 18:00 to 24:00.
The citizens of Pogradec, as well as vacationers perform the traditional afternoon walk which Pogradec city is famous.

16

THE PUPPET THEATER “ PIRO XËCI”

The first Puppet Theater was established in 1952. “Mashenka and the Bear” was the first premier which was staged for the first time. In 1975 the order of “Naim Frasheri of First Class” was given to this theater. Today the theatral troupe of the Puppet Theater continues to entertain the kids with a lot of shows and plays a great and important role in the new generation education and also in its development and the culture spread.

17

SPORTS PALACE “AREFI BERBERI”

The sports palace “Arefi Berberi” is placed near the stadium of Pogradec. This environment serves for different sportive activities: volleyball, basketball, boxing etc. Sports palace is also known as the hand games palace. The building is reconstructed lately and new training facilities and changing rooms are added.

18

SHPELLART CONTEMPORARY ART STUDIO

Shpellart is an art house established in 2022, with the innovative idea to develop the artistical and cultural life of the city. The art house consists in the development of artistical activities like, musical evenings, exhibitions of figurative work arts pieces, poetical evenings, book promotions and at the same time is the studio of the painter Henri Shkurti, where his works are exhibited, paintings that belong to the postmodern art style. Shpellart has served as an evening open bar and offers an environment where citizens can find themselves between art and social spirit.
